

JONES AVENUE

Street/Sidewalk Improvements Near Kennydale Elementary School

A new sidewalk is being planned along the east side of Jones from NE 20th Street to NE 26th Street, including driveway drops and curb ramps. In addition, Jones Avenue will be repaved from NE 20th to NE 28th Street. When the two projects are complete, the new sidewalk improvements will provide a safe walking route for children to get to school, and the new pavement will provide improved vehicle safety.

Phase 1

Jones Avenue Resurfacing

Preparation for paving: **completed by Sept. 18, 2008.**

Timetable for grinding/paving:
Sept. 29-30, 2008 (weather permitting)

Grinding of street: **Sept. 29, 9 a.m. to 3 p.m.***

Paving NE 26th to NE 28th**: **Sept. 30, 9 a.m. to 3 p.m.***

** Duration of grinding and paving is 3-5 hours each. Work will occur between the hours of 9 a.m. and 3 p.m. to avoid any interference with the arrival and/or departure of children to/from school.*

*** Paving from NE 26th Street to NE 28th Street will occur prior to the completion of the sidewalks during Phase 2. Paving of NE 20th Street to NE 26th Street will occur in 2009.*

Phase 2

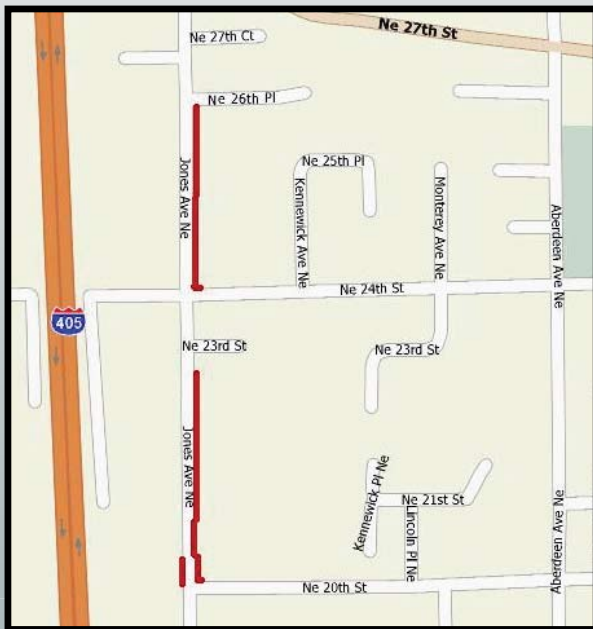

Jones Avenue Sidewalk Project

Sidewalk project will not begin before **mid-October**. Schedule will be posted.

Phase 2 contracting agent has been selected and the contract is currently awaiting Council approval. The city will provide more information when available.

Location of the project:

Phase 3

Jones Avenue Resurfacing

Final resurfacing of Jones Avenue between **NE 20th Street** and **NE 26th Street** will occur in 2009. Schedule will be posted.

The city will provide more information when available.
